

**Thailand**  
**Doi Kam Fha, Chiang Mai**  
*More Than You Expect*

**Doi Kam Fha** is the new bird watching site in Thailand. Located in the north of Doi Chiang Dao, Wiang Haeng District, Chiang Mai Province. Originally completely covered with forest, but 50 years earlier. This forest has been defeated by the Hmong hill tribes. For shifting cultivation, growing opium for sale Later, King Rama IX developed and promoted agriculture to the livelihoods of the hill tribes to turn to agriculture instead of opium cultivation. It is recommended to grow vegetable plants, flowers and allow hill tribes to plant forests back. It has been 30 years until today the pine forest has returned to perfection, causing birds and wildlife to come back to inhabit and increasing the population. Doi Kam Fha is a tourist spot part of Pha Daeng National Park, Far from Chiang Mai town around 2 - 2.30 hour.

By driving a car heading towards Chiang Dao District, Mueang Ngai Subdistrict, Until Mae Ja Intersection, turn left. take road 1322 West towards Wiang Haeng then more drive 23 KM. On the right, you will see an entrance to Doi Kam Fha. It is an 8 km rough motorbike ride or four wheel drive to the top. At the top is a camping area, with spectacular views across the valleys. In the winter season "The sea of fog" in the early morning would be a sight not to miss. From the camping area, it is about 300 meters to the summit at 1,834 meters.

There are rare birds for bird watchers to easily see here Without having to travel as far as Doi Sanju and Doi Lang such as birds Mrs.Hume's Pheasant, Eurasian Jay, Giant Nuthatch. You can see them from the second kilometer.

**The best time to see the birds** here is at the end of the rainy season in

November to May. Because the path in the park is a smooth soil road But when it rains, the roads are slippery, so a sedan, van or two-wheel drive pickup truck. Can't get through Therefore should go in the dry season where it does not rain.

In addition, in winter from December to January it is best to start birdwatching around 8:00 am as winter temperatures begin to warm from the sun. Causing many kinds of birds to startle with noise and flies to look for food.

At the entrance to the park. We recommend that you start to birding at a viewpoint on the top of mountain. There is third highest mountain in Thailand There are still many kinds of birds in the pine and mixed forest waiting to meet you.

After watching the birds on the highest peak Therefore slowly walking down or driving, stopping to see the birds along the way on both sides of the way down is better Here you can see the changing of the forest from the pine forest. A mixed forest You will find a wider variety of birds Long-tailed Broadbill, White-crowned Forktail, Maroon Oriole, Scarlet Minivet.

**Facilities** On this bird watching trail and on the tent camping spot There are **no restaurants or grocery store**, Please prepare your own lunch box , for water bottle, coffee & tea and snacks to serve you. The bathroom is only at the entrance and viewpoint area.

**Telephone signal** 3G, 4G, 5G network of AIS, True is available at the entrance area and a campground on the top of the mountain only.
